

RIDER

of the National Academic Folk Choir of the Republic of Belarus named after G.I. Tsitovich

TRANSPORT

Transfer from Minsk and back:

AVIA: 2 business class seats, the rest are economy class. It is necessary to provide for the payment of additional tickets (extra pieces of hand luggage) for the carriage of musical instruments.

RAILWAY: Coupe

AUTO: A bus of at least 3* comfort class (preferably "Setra", "Neoplan", "Mercedes") not older than 2010 with a capacity of at least 63 seats with a luggage compartment (preferably HD class). Transport must be clean and heated.

Tickets to the destination and back must be with the team no later than a week before departure.

Movement in the city of destination (between cities):

To move the team from the airport (railway station) and back, in the city of destination, to the concert hall and back, a "Setra" bus (or similar) of at least 63 seats with a luggage compartment is required. Transport must be clean and heated.

HOTEL

Single, twin rooms (according to the list of the team).

For the accommodation of the team, a hotel of at least 3* is provided. Particular attention should be paid to the presence in the rooms of serviceable toilets and showers, hot water, heaters in the cold season, serviceable air conditioners in the warm season.

FOOD

3 meals a day (breakfast, lunch, dinner). Please pay attention to the freshness of the products, and also do not provide meals for the team immediately before the rehearsals and the concert.

DRESSING ROOMS

5 dressing rooms are required:

No. 1 - women's ballet group - 8 people (**behind the stage or in the immediate vicinity of the stage**)

No. 2 - male ballet group - 8 people (**behind the stage or in the immediate vicinity of the stage**)

No. 3 - male group of choir and orchestra - 16 people

No. 4 - female group of choir and orchestra - 26 people

No. 5 - administrative and technical group - 5 people

Make-up rooms should include:

- Mirrors equipped with illumination;
- Chairs (not less than the number of people in each dressing room);
- Hangers (or crossbars) for costumes and clothes (in dressing rooms No. 1 and No. 2 or directly next to them with the possibility of simultaneously placing 50 sets of costumes);
- Washbasins (hot and cold water);
- Electric kettle, cups;
- Tea (black, green), coffee (ground, instant);
- Drinking water (without gas, slightly and medium carbonated).

Special attention should be paid to the temperature in the dressing rooms, which should not be lower than 20°C. If necessary, please provide heaters.

In the case of a concert in an open area, it should be possible to change costumes in an equipped room (it is possible to have a large tent placed on an asphalt, concrete or wooden surface, subject to the temperature regime).

Dressing rooms require an ironing board and an iron with a steam generator (or a steamer).

In case dressing rooms No. 1 and No. 2 are located at a far distance from the stage (more than 50 meters), an equipped dressing room must be provided behind the scenes to enable a quick change of costumes.

CONCERT HALL
